

Safechem Chemicals data - Use and Dilution

Dash - dashboard renovator

Dash is a dashboard dressing that is formulated to clean and restore the appearance of dashboards and vinyl trim leaving a dry natural finish. Contains silicone

Contains a plasticiser to maintain the suppleness of vinyl dashboards and trim and a pleasant perfume.

Application

Van & Truck Dash dressing

Dash will also remove oil and stains from treated surfaces. Before applying any dressing firstly use a damp cloth to wipe it clean and allow to dry.

Spray sparingly onto the surface to be treated and allow to dry. Wipe over if necessary for an even finish. Buff using a soft cloth for a high shine.
